

## UDance Engagement Coordinator Application

UDance is currently the largest student-run philanthropy at the University of Delaware. Established in 2007, UDance has grown to unite the Delaware community in the fight against childhood cancer. It is our mission to raise awareness and funds for pediatric cancer research and provide financial assistance to families battling cancer with the hope of one day finding a cure. All funds benefit the Andrew McDonough B+ Foundation. Our year-long efforts culminate in a 12-hour no sitting dance marathon every March at the Bob Carpenter Center. Last year alone, with the help of UD students, UDance raised over \$1.89 million; this year, we plan on improving even more! What are you applying for?

As a UDance Engagement Coordinator, you will act as a representative for your residence hall by connecting students to the organization through various opportunities inside and outside your building. The Engagement Coordinator committee is composed of students across campus who are excited to work as resources and liaisons to inform fellow residents about how they too can get involved. You will participate in tasks such as: attending weekly meetings, planning residence hall or campus wide events with fellow ECs, giving informative presentations, promoting UDance in local dining halls, and composing your own promotional materials (flyers, Facebook events, etc.).

We are looking for passionate students who truly want to take initiative in the fight against pediatric cancer! Team players with leadership experience and extroverted enthusiasm will make great contributions to the team. The ultimate goal of the position is to get more on-campus students involved, so applicants should be able to confidently communicate UDance to a larger audience and implement creative ideas.
